The **Centre Hall Fire Company #4** is your **ALL VOLUNTEER** Fire Company with officers and members who provide fire protection services with your support. These volunteers are men and women from our community who are required to attend trainings, meetings, and respond to emergencies... they also work, go to school, and have family obligations of their own. In order for our volunteers to be safe and efficient, they need good training, tools, and equipment. These volunteers give their all to protect lives and property within Centre Hall Borough and Potter Township. These volunteers cannot do it alone!

**Please consider joining today. You don't have to run into a burning building to be a member. Some members help with apparatus maintenance, building maintenance, cleaning, and fundraising to name a few. Volunteers are always welcome! It's a good way to give back to your community - your children, age 15 and older, may also join. Monday evenings are the company's work nights. Come out and spend a Monday evening at the Station.**
